2017 Standard Mileage Rates

Beginning on January 1, 2017, the standard mileage rates for the use of a car (also vans, pickups or panel trucks) in church business will be:

- 53.5 cents per mile for business miles driven
- 17 cents per mile driven for medical or moving purposes
- 14 cents per mile driven in service of charitable organizations (This rate is used to reimburse volunteers for driving for the church.)

The standard mileage rate for business is based on an annual study of the fixed and variable costs of operating an automobile. The rate for medical and moving purposes is based on the variable costs. The charitable rate is based on statute.
