

# BIBLE DRILL COMPETITION GUIDE

## Resource with Games and Activities for Blue, Red, and Green cycles

Lifeway has released a new Bible Drill Resource entitled Bible Drill Competition Guide. The main difference between this resource and

Bible Skills, Drills, and Thrills— is that this new resource includes game and activity ideas that can be used to teach books, verses and key passages instead of complete lesson plans (like in Bible Skills, Drills, and Skills).

Special Note for Georgia Children's Bible Drill Leaders: CD included in resource only provides activities/templates in KJV and Holman (not the ESV—a Georgia option for drilling.)

Question: If my church is using ESV, is it helpful for me to have this resource?

Answer: Yes! Most games and activities can be used regardless of translation.
