

Special Needs Policy for Bible Drill

Please notify our office at the beginning of your Bible Drill year if you have any drillers who have special needs or exceptions that need to be granted during the Regional and State Bible Drills. This will allow us to work in advance with that driller, your church, and the judges in a way that will best meet the needs of that individual. Special needs include learning disabilities, hearing impairment or deafness, vision impairment or blindness, being in a wheelchair, etc. Send an e-mail (mbrannen@gabaptist.org) or a letter to Maria Brannen's attention at Discipleship and Spiritual Renewal, 6405 Sugarloaf Parkway, Duluth, Ga. 30097. State the driller's name; the church's name, the leader's name and contact information, which drill location they will be participating in and the nature of their special need. Feel free to share any other information that may be vital to us in working with the driller. Even if the driller has participated before in Bible Drill, or if you have talked to someone in our office previously, you will still need to send in this letter in order that we have an accurate record. The deadline to submit this to our office is by January 31. If other special needs arise closer to the drill, such as a broken arm or leg, please call our office at the earliest possible date and let us know so we can be prepared for the needs of your driller.
