

Georgia Baptist
Health Care Ministry
Foundation

2025 Annual Report

MISSION STATEMENT

In response to the love of God revealed in Jesus Christ, and keeping with our Baptist heritage, the Georgia Baptist Health Care Ministry Foundation is committed to the continuation of a healthy community. For more than 120 years, the Georgia Baptist Health Care System has offered a ministry of healing to those in need. That ministry continues as we work to offer a wholesome quality of life to the citizens of Georgia and other communities served through needed health care ministries; and to research and develop new health care services that make a positive and measurable difference in the lives of those we serve.

VALUES

Georgia Baptist Health Care Ministry Foundation emphasizes:

- Christian life and family values
- Compassionate care
- Unconditional acceptance of those we serve
- Reverence for the dignity of each person and the cultural diversity of the community

INTRODUCTION TO REPORT

The Georgia Baptist Health Care Ministry Foundation is pleased to present our annual report covering grant awards for 2025.

As we selected the grant recipients for this year, we continued to focus on funding “hands-on” health care ministries.

Our efforts in offering grants to non-profit health care organizations is intended to lighten the burden of those who offer health care services, and those who receive those benefits. Because we have been given much, we know much is required. We hold these assets, and our ability to share them, as a sacred trust.

Demonstrating the love of Jesus Christ through a health care ministry, grants from the Georgia Baptist Health Care Ministry Foundation are making a significant impact. We thank you for your interest, prayers, and efforts to help us fulfill our mission.
